Jesus Heals Ten Lepers

Title Page; Jesus Heals Ten Lepers

2

Jesus was travelling to Jerusalem and arrived at a village on the border between Galilee and Samaria.

As he headed into the village, ten men stood at a distance.

3

These men had leprosy. In bible times anyone with this disease was isolated from the community.

While Jesus was still a little way off they cried out, "Jesus, Master, have mercy on us!"

Jesus looked at them and said, "Go and show yourselves to the priests."

(Only the priests could declare a person well again).

2

And so as they turned to go find the priests...

3

...they were all healed of their leprosy.

1

When one man, a Samaritan, saw that he had been healed he ran back to Jesus shouting, "Praise God!"

2

He fell to the ground at Jesus' feet and thanked him for what he had done.

3

Jesus asked, "Were there not ten men that I healed? Where are the other nine? Yet only this foreigner, a Samaritan, has returned to give glory to God!"

With this, Jesus said to the man, "Get up and go. Your faith has made you well."
