Creation Story

Jason and Sonya Staben

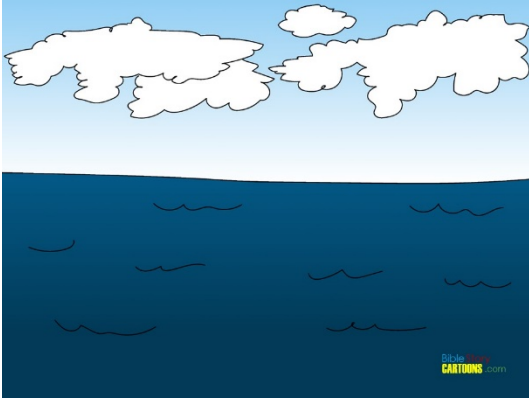

In the beginning, God created the heavens and the earth.
The earth was empty and dark.
The Spirit of God was moving over the waters.

The First Day

God said, "Let there be light," and there was light.
He was pleased with the light, calling it "day." He separated it from the darkness which he called 'night'.
Evening came and then morning - the first day.

Creation Story

The Second Day

God said, "Let the waters be separated above and below." And it happened. Those above he called the sky.

Evening came and then the morning - the second day.

The Third Day

God said, "Let the water come together so that dry ground can appear." And it happened.

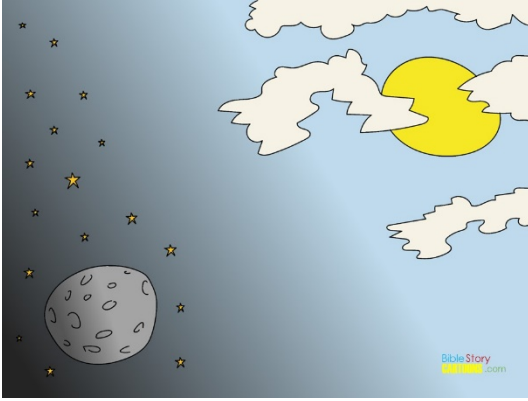

God named dry ground "Land," and the water "Ocean."

God looked at what he had done and saw it was good.

God said, "Let the earth produce all kinds of plants." And it happened. Out of the earth grew all types of vegetation.

God looked at what he had done and saw it was good.

Evening came and then morning - the third day.

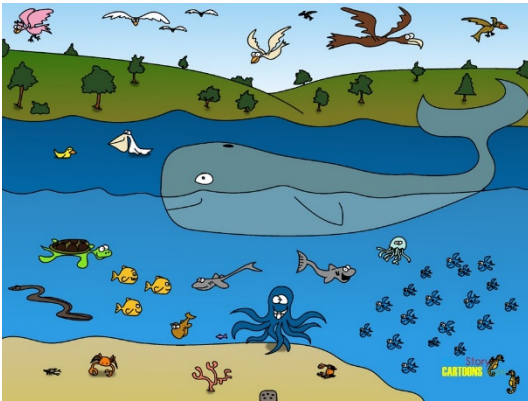

The Fourth Day

God said, "Let there be lights in the sky to separate the day from night and to show the time for days, seasons and years."

And it happened. God made the Sun for the day, and the moon and stars for the night.

God looked at what he had done and saw it was good.

Evening came and then morning - the fourth day.

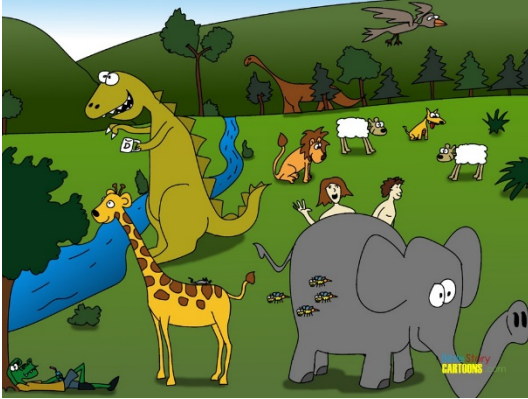

The Fifth Day

God said, "Let the ocean be full of living creatures, and let birds fly in the sky." And so God created all the creatures that swim in the ocean, big and small. He also made every kind of bird. He blessed them, and told them to live everywhere all over the earth.

God looked at what he had done and saw it was good.

Evening came and then the morning - the fifth day.

The Sixth Day

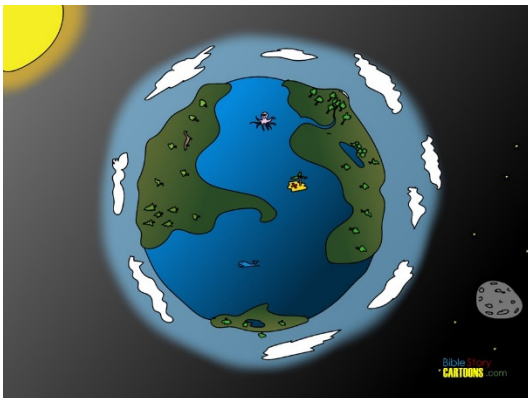

God said, "Let the earth roam with all kinds of animals and reptiles." And it happened. God made all the animals and reptiles of the earth. God looked at what he had done and saw it was good.

God said, "Let us make humans in our image. They will rule over the fish, birds and all animals. God created humans in his own image. He said, "Be fruitful and increase in number. Rule over the fish, birds and every animal on the earth."

God looked at what he had done and saw it was very good.

Evening came and then the morning - the sixth day.

The heavens and the earth were complete.

The Seventh Day

God had finished his work of creation, so he rested.

He blessed the seventh day, making it holy, because on that day he rested from all the work of creating.
