

Jesus At The Temple

Luke 2:41-52

One day Jesus went on a special trip with his father and mother. They were going to the temple with all their friends.

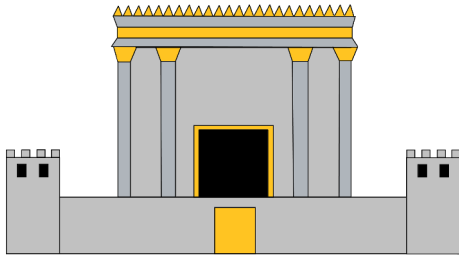

On the way home Jesus' mother said 'Where is Jesus?'

They looked everywhere for him. They were worried.

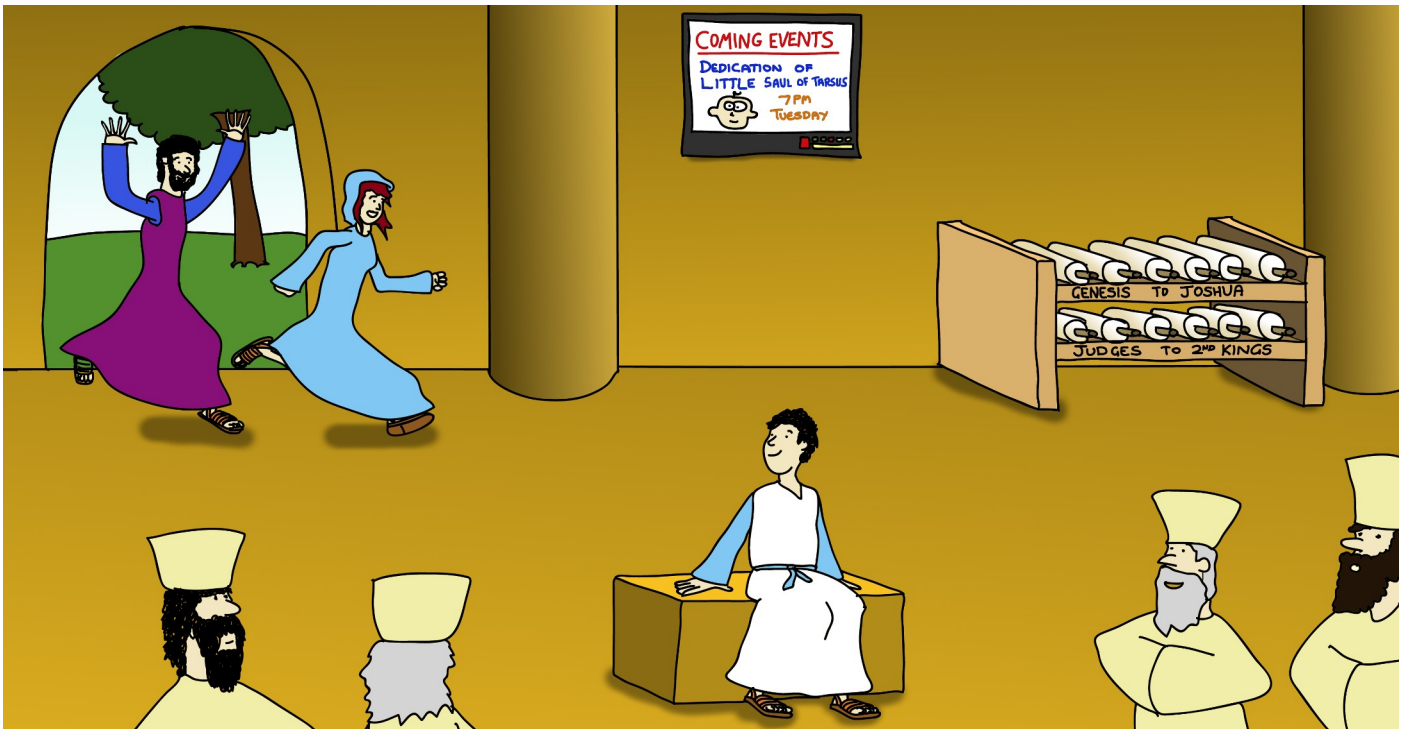

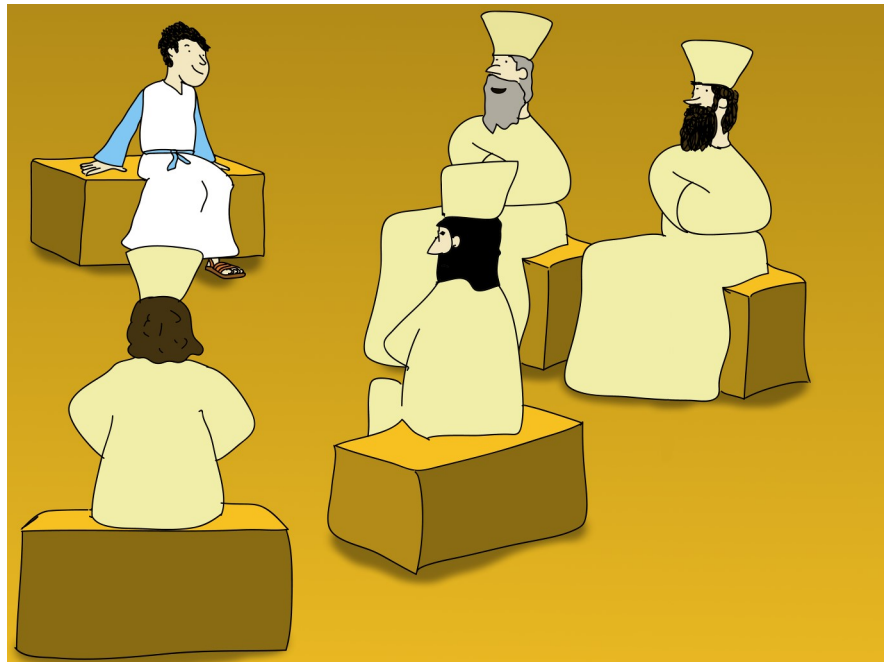

They asked his friends, 'Have you seen Jesus?' 'No', they said.

Jesus' father and mother went back to the temple.

Jesus was there talking to the teachers about God.

'We thought you were lost', said his mother.
'We were so worried.'

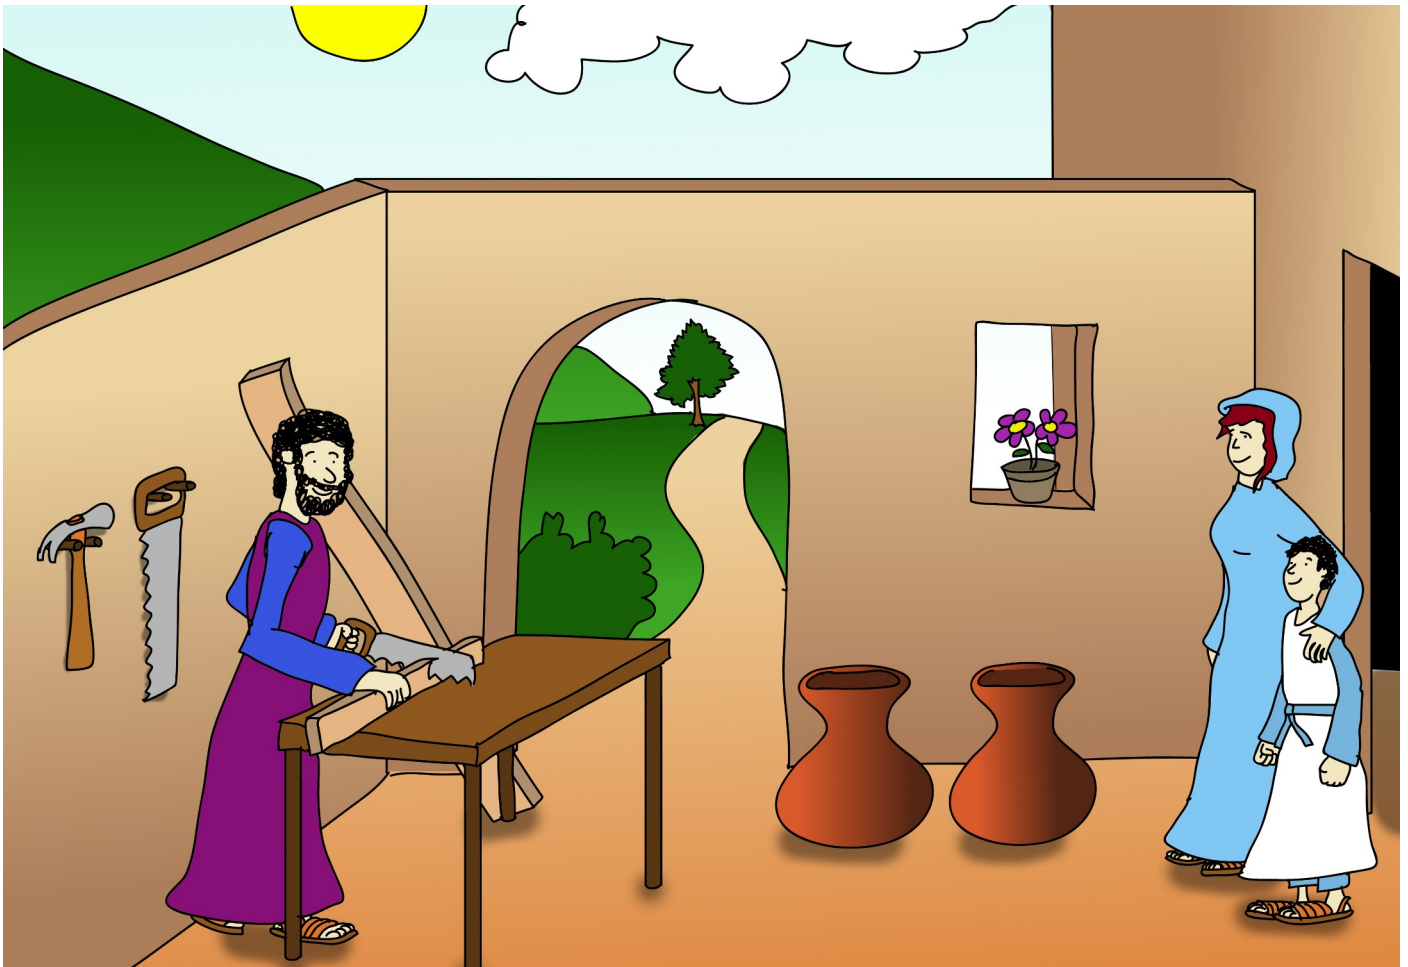

‘Didn’t you know that I would
be in my Father’s house?’

Jesus answered.

Then they went home.

Jesus grew up as God’s child. He loved his father and mother and did what
they said.
